NO DRUG OR TECHNIQUE EXISTS THAT CAN CURE A BRAIN INJURY

Manitoba Brain Injury Association helps individuals and families cope by offering support education and advocacy.

We also work to prevent brain injuries through public awareness initiatives and educational programming.

Come Join us

...imagine getting dressed and not knowing what to put on first—your socks or your shoes.

Being hungry but not knowing how to prepare something to eat.

Imagine being abandoned by family and friends because your mood or behavior has changed.

Thousands of Manitobans don't have to imagine effects such as these—they live with them every day due to a brain injury.

Your support will make a profound difference so come out and walk, raise pledges and put a team together of family and friends.
